**Parent Permission for Publication of Student Photo**

It is our practice through the school year to take photographs of classroom activities, parties, special events and fieldtrips which include Magothy Cooperative Preschool children and possibly siblings. The photographs sometimes are used in creating yearbooks at the end of the year and also to display on our photo wall outside and sometimes inside of the classroom. In order to include your child’s photo we must have your signed permission.

I give my permission to display my child’s artwork on Artsonia, in accordance with Artsonia’s terms and conditions of use. I understand that Artsonia preserves students’ privacy and anonymity by listing the artwork only under the student’s first name and a number. I also understand that Artsonia will only display comments on student artwork with parental permission, and therefore grant Artsonia permission to email notifications to me when new comments are available for review. **Parent Permission for Water Play**

It is our practice through the school year to have “water play” with the children in the forms of a water table. This is a stationary table at waist level. It is filled with 3-5 inches of water and has activities such as siphoning and pouring water. We also allow our children to fill water cans from our rain barrels on the playground. By undersigning I give my child permission to participate in water play.
